

Katonim Kronicle

Session 1, Week 2 - 2023

Welcome back to the Katonim Kronicle! The place where you can find out about all the fun and exciting things that happened at camp this past week.

We had an amazing second week of Session 1 at Camp Katonim! It was so wonderful welcoming everyone back for another fun-filled week of camp activities!!

Highlights of the Week 2

Our special half day program last week was Wild Wild West!

From epic water gun duels on the basketball court, pony races on the baseball field, and visits to the Katonim saloon for root beer floats our campers were able to participate in a variety of cowboy themed games and activities.

Our G 1/2s got creative in A&C decorating mini cowboy hats, the Twix and Tweeners enjoyed some root beer floats and the BG 5/6s went all out in their pony race!!

Last week, the BG 1/2s had a rockin' time on our first overnight of the summer.

They had so much fun going on hikes, learning camp songs, swimming, learning how to build a campfire, roasting marshmallows, and more.

The trip was wrapped up with some fun nature games and a visit from the rain.

This Week at the Waterfront

We are getting our beads! Campers are learning and achieving their goals down at the waterfront! This year, Katonim campers can earn different coloured beads for their bracelets in all areas of camp.

At the waterfront, campers have been learning sailing knots, learning parts of a sailboat, and demonstrating a proper tack for their two sailing beads.

On swim, campers have been passing levels for their swim bead.

Campers are getting up on skis and wakeboards for their ski bead, and boating has a bead for campers who learn parts of the boat, the paddle, and can show their skills.

Our sailing staff loved the windy days this week, but that also reminds us to pack a long sleeve top for campers on those days. As always, please remind your little ones to apply sunscreen, wear their hats, and drink lots of water.

We are looking forward to Session 2 on the waterfront !

Landsports and Creative Arts News

Week 2, campers had an absolute blast on both the court and the sports field, with ultimate frisbee, soccer- baseball, and basketball taking the top spots of the campers' favourites. As for some of the younger cabins, intricate obstacle courses were designed and constructed by both campers and staff to be completed by the campers.

Week 2 in performing arts, the BG 7/8/9s got to learn some taekwondo moves with Grace M and Tirion. The BG 1/2s learned and sang music from the Lion King while the G 3/4s learned and sang songs from The Sound of Music. All of our campers had a chance to learn new moves and do some dancing!

Campers got creative in A&C! All campers got a chance to create their own tie dye shirt, socks, or bandana. Campers also showed off their creativity by making things like bug and animal popsicle stick bookmarks, origami, paintings, bracelets and pipe cleaner bird feeders.

Staff of the Week

Kouta - Custodian

Violeta - B 1/2 Counsellor

Our Katonim Team!
