SUMMER 2025

Katonim Kronicle

THE OFFICIAL NEWSLETTER OF CAMP KATONIM

Welcome to the Katonim Kronicle
— your all-access pass to the joy,
the laughter, and the unforgettable moments of
WEEK 1 at CAMP KATONIM !!!

Our first week kicked off the summer in true Katonim style,
— from thrilling lake adventures
— to high-energy land activities. Even with our weather challenges
of heat waves and surprise rain showers,
our camp spirit stayed high, and our enthusiasm never wavered.

We launched our first week of camp with
energy and excitement, singing the Camp
Katonim song together at our very first
flagpole gathering. The fun continued as
we celebrated Canada Day and then kicked
off our first round of Hobby Hubs!

This week's Hobby Hubs:

Activities included:

- Sailing
- Tubing
- Paddling
- Spa Night
- Slime-Making
- Basketball
- Candy Sushi-Making

Our campers had an amazing time exploring new interests, and making memories with new friends!
