

CAMP KATONIM
2025

SESSION 4 - WEEK 8

KATONIM KRONICLE

LITCIT INTERCAMP

On Wednesday afternoon, the LITCITs from the camp across the lake, Camp Arrowhead, came to Katonim to face off in a baseball game! Our LITCITs' training and practice most certainly paid off!

HOBBY HUBS

On Wednesday night, campers participated in Hobby Hubs! At the waterfront, there was tubing, sailing, fishing, and a beach picnic. At main camp, there was roof ball, dancing, beaded animals, and hiking. The highlight of the night was most definitely Build-A-Bear Hobby Hub!

SESSION 4 - WEEK 8

OLYMPICS

On Thursday, the camp was divided into three teams: Brazil, France, and the Philippines! Campers cheered their hearts out, participated in land and water regattas, used all their might at tug of war, and gave it their all in a Camp Katonim favourite: Pirates!! Congratulations to Brazil on their victory!

CAMPER BANQUET

The theme of this year's camper banquet was A Night in Hollywood! Campers saw their cabin plaques, received awards, and sang camp songs through the burning of the CK!

See you next year!
